</tr>
</tbody>
</table>

Cumulative average at the end of Level II*: ____________

| Project Title |
| Supervisor’s Name† |
| Supervisor’s McMaster E-mail Address |

**Supervisor’s Signature**  

*Please note: CB 4GG9 supervisors will be required to mark two theses for every thesis student they supervise.*

**This form should be submitted to Dr. McNulty or Linda Spruce in the main office no later than March 31st, 2018.**

---

*Students who are unable to meet the required minimum CA for CB 4GG9 at the end of their third year will need to contact the course coordinator if they would like to be considered for enrolment in CB 4G03.*

†Faculty members who are members or associate members of the Department of Chemistry & Chemical Biology are eligible to supervise CB 4GG9 students. Faculty members from other departments are potentially eligible, subject to approval of the thesis topic by the course coordinator.
